## **Fund Raising Event in Support of the Nepal Earthquake Relief Fund @ Singapore EXPO**

**7 MAY 2015, SINGAPORE** – Singapore EXPO will be hosting a one-day fund-raising event in support of the Singapore Red Cross Society's '*Nepal Earthquake Relief Fund*' on Friday 8 May from 3.00pm-10.00pm at Singapore EXPO's Hall 4 Atrium.

A joint effort by three companies, SingEx Venues, the management company of Singapore EXPO, security company Certis CISCO and The UnUsUal Group of Companies, specialising in event and concert production, this event aims to raise funds for the massive relief efforts required for the disaster, which caused more than 7,500 casualties and destroyed hundreds of thousands of houses.

Members of the public who wish to do their part can attend the event at the Singapore EXPO, or make a donation at the charity booths and drive-through counters set up on-site. Contributions can be made in the form of cash or a cheque payable to '*Singapore Red Cross Society*'.

## About Certis CISCO

Certis CISCO is Singapore's leading security organisation. We offer a comprehensive range of security services from Auxiliary Police to a "one-stop solution" for a full range of physical, IT and data security services. The breadth of services include security manpower – both armed auxiliary police officers, as well as unarmed protection officers, enforcement services, security consulting and training, security technology, defence services, outsourced manpower, and IT security and information management.

Beginning in 1959 as the Guard and Escort Unit under the Police Force, it then became a statutory board in 1972 which was known as "The Commercial & Industrial Security Corporation" (CISCO). Its mission was to support the efforts of the Singapore Police Force in maintaining law and order and to enhance the security environment by providing a range of security services at the highest professional standards.

Over the next 30 years, Certis CISCO built on its strength as the national Auxiliary Police Force to develop a comprehensive range of security services to help businesses address their security needs in a convenient and cost effective manner.

Corporatised on 1 June 2005 as a wholly owned subsidiary of Temasek Holdings, Certis CISCO today has operations in more than 63 cities around the Asia Pacific region and Middle East, employing over 26,000 people.

An ISO 9000 certified organization, Certis CISCO has also attained the People Developer Standard. It has also begun implementing the six-sigma methodology as part of its quality programme.

Certis CISCO continues to develop leading-edge security solutions by putting professionalism, reliability and integrity as its service beacon. With its strong philosophy of service excellence, Certis CISCO is the trusted name in security for security solutions that are practical, efficient and affordable.
